

## King Jesus

Savior. Maker. Lover. Helper. Friend. Father. King. Lord. Redeemer. Leader. Jehovah. Rescuer. Healer. Listener. Almighty. Divine. Protector. Provider. Changer. Invincible. Immortal. Rock. Creator. Life-Giver. Promise Keeper. Mighty. Great. Comforter. Patient. Kind. Faithful. Counselor.

Great and mighty King Jesus. You are the lover of my soul. My great Lord. Oh God, where can I go that you are not there? You are present at my uprising and sitting. My sleeping and waking. My soul yearns and longs for you. Show me your wisdom. Shine your face down upon me. Trust me. Make my thoughts your thoughts. My plans, your plans. My dreams, your dreams. Silence the voices of the wicked. Vindicate me. Protect me. How I love you. You are my everything. Help me die to my flesh. How I live for constant fellowship with you.
