

## TRUST ME

Call upon me and I will answer. I will show you great and mighty things that you know not. Pure hearts and thoughts. Cleanse yourself. There is always cleansing. My wisdom and knowledge I shall impart to you. Look to the hills where your help comes from. It is I, the Lord your God. Jehovah Rapha - the God that heals. Set your eyes before me. Entrust your land to me. The fields are ripe. I am here. Oh how grand is my love for my people. I am seated at the right hand of the Father. I am King of Mercy and Grace.

I am the witness to unconditional love. Keep your eyes on me. You know nothing of my strength and power. I can crush mere man. And I can love him with the most delicate heart. Ask anything of me—I will do it. My children suffer because they don't ask. I am here for guidance, yet they walk alone. I am here for comfort—yet they think they are strong enough. I can preserve the very life you ask—the earth shakes and the world trembles, but my word shall endure forever. It is my will for all to be well. Hear me this day my voice shall be the first and the last to be known. It is my breath. My might and my power. Turn from sin—dry your eyes and cling to me.
